

Send IT Back™ – Fast and Easy Product Return

ver. q (20211202)

Send IT Back

1. Send IT Back mobile app

- Download from [Apple App Store](#) or [Google Play](#)
- Only for intact Cisco equipment
- Available in these countries:
 - United States
 - United Kingdom
 - [27 European Union countries](#)

2. Don't use Send IT Back if another return process has been submitted

On Cisco's product return [portal](#)

- Takeback & Reuse (TB&R)
- Exceptional Pickup Program (EPuP)

In Cisco's [CCW](#) sales tool

- Migration Incentive Program (MIP)

3. Fast-and-easy pickup

- Obtain a [cisco.com](#) account ([instructional video](#); recording password = SendITBack2)
- [Package](#) equipment for shipment
- Using Send IT Back ([iPhone](#) or [Android](#)):
 - Take a photo of packaged equipment ready for pickup
 - Tap the Submit button to initiate pickup request

Please consolidate multiple requests into a single request when practical.

Read our two-page [handout](#) for more detail.

We welcome your feedback:

- In the mobile app using the Contact Us feature in the upper left menu
- Email: sitb_operations@cisco.com
