

Cisco Connected Workplace Sustainability

“I’ve never been more certain that what is good for people, society, and the planet is good for business.”

– Chuck Robbins, CEO

FY22 Sustainability Goals

Use **renewable energy** for 85% of Cisco’s global electricity consumption

Reduce scope 1 and 2 **greenhouse gas emissions** worldwide by 60% between FY07 and FY22

Our Strategy to Meet our Goals

Cisco Connected Workplace

Energy Efficiency

Renewable Energy

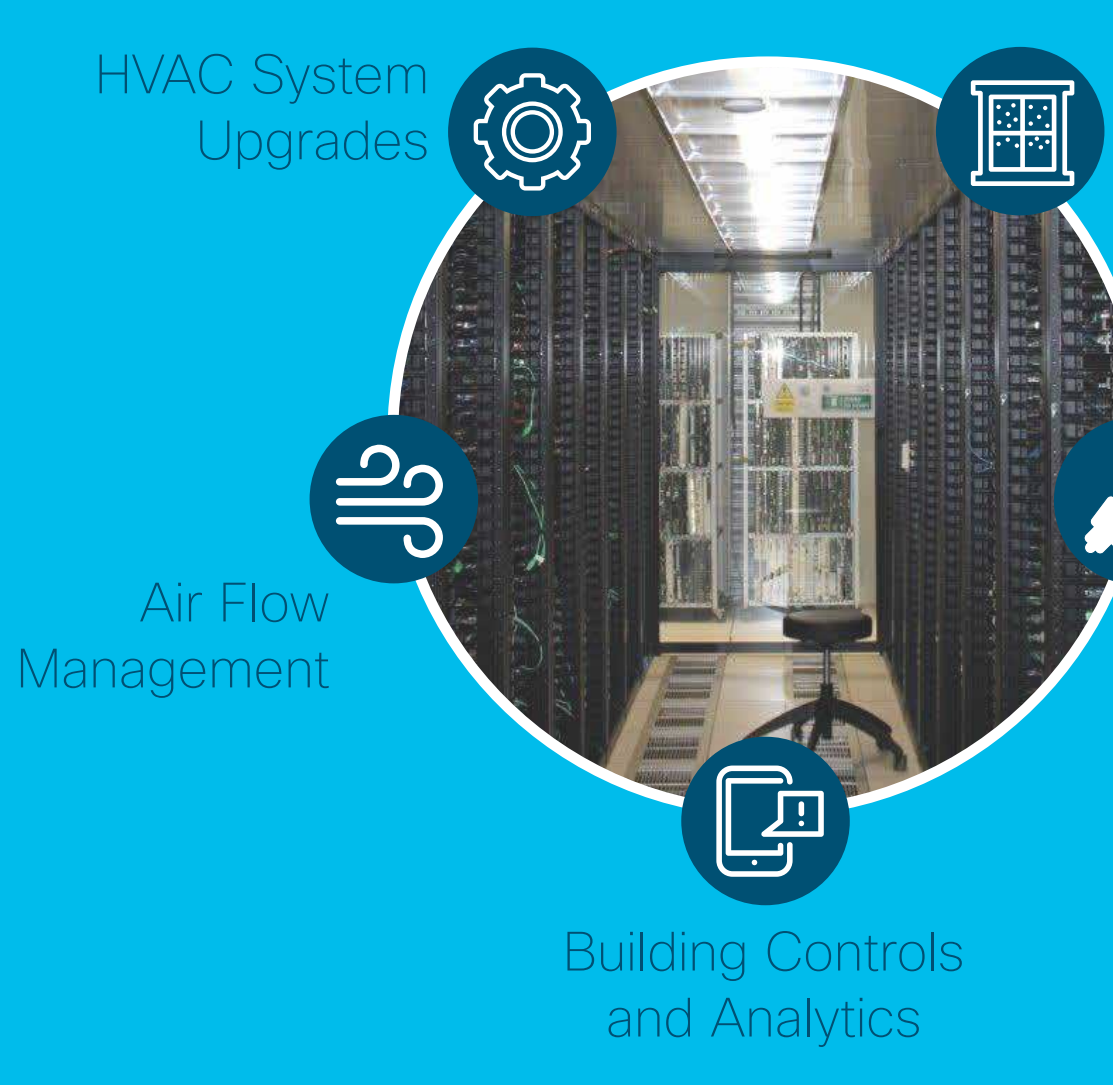

Stakeholder Engagement

Sustainability in the Workplace
